Article 3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Article 4. To hear the report of the Budget Committee and act thereon.

Article 5. To see if the Town will vote to raise and appropriate the following sums, as approved by the Budget Committee for:

1.	Town Officers' Salaries	$ 5,070.00
2.	Town Officers' Expenses	4,200.00
3.	Election and registration expenses	2,500.00
4.	Expenses of Town Hall & other bldgs.	2,000.00
5.	Expense of Forest Fires	1,000.00
6.	Expense of Police Department	2,400.00
7.	Expense of Fire Department	5,200.00
8.	Planning and Zoning	300.00
9.	Civil Defense	100.00
10.	Expense of Board of Health	1,500.00
11.	Purchase of Insurance	2,500.00
12.	Support of Town Poor	2,500.00
13.	Old Age Assistance	4,500.00
14.	Aid to soldiers and their families	600.00
15.	Memorial Day Observance	200.00
16.	Care of Parks, Playgrounds, Town Beach	400.00
17.	Care of Cemeteries	1,239.38
18.	Damage and legal expense	200.00
19.	Town's share of Social Security	1,600.00
20.	Interest on long term notes	410.00
21.	Auto permit fees	800.00
22.	Interest on temporary loans	2,500.00

23.	White Pine Blister Rust control in cooperation with St. Dept of Resources and Economic Development	150.00
24.	Payment on long term notes	2,900.00

Article 6. To see if the Town will vote to raise and appropriate the sum of $3,150.00 for street lighting. (Approved by the Budget Committee.)

Article 7. To see if the Town will vote to raise and appropriate the sum of $650.00 (six cents per $1,000.00 of the Town's equalized valuation) to the Monadnock Regional Association, an agency to advertise, promote and preserve the natural advantages and resources of the Town in cooperation with the other 37 Towns of the Monadnock Region. (Approved by the Budget Committee.)

Article 8. To see if the Town will vote to raise and appropriate the sum of $836.00 in support of the Elliot Community Hospital for the year 1969. (Approved by the Budget Committee.)

Article 9. To see if the Town will vote to raise and appropriate the sum of $1,379.92 for Town Road Aid, thereby receiving an additional $9,199.48 from the State. (Approved by the Budget Committee.)

Article 10. To see if the Town will vote to raise and appropriate the sum of $16,500.00 for winter maintenance of roads. (Approved by the Budget Committee.)

Article 11. To see if the Town will vote to raise and appropriate the sum of $22,500.00 for summer maintenance of roads. (Approved by the Budget Committee.)

Article 12. To see if the Town will vote to raise and appropriate the sum of $2,500.00 for the repair and upkeep of Highway Equipment. (Approved by the Budget Committee.)

Article 13. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for the continuation of Road Improvement of our Town Highways. The location of the work to be under the supervision of the Selectmen in cooperation with the Road Committee. (Approved by the Budgt Committee.)

Article 14. To see if the Town will vote to raise and appropriate the sum of $2,500.00 for repairs and improvement (blacktop) of the road which connects Atherton Hill Road to the Old Swanzey Road. The road for improvement is four tenths of a mile and would require two culverts. Located on this road are the Erbhof Motel, the Alpendorf, two homes owned by R. L. Shepherd and Kurt Bishoff, and several building lots belonging to private owners. This road is extremely hazardous when wet and at times is impassable. We feel that since the buildings and business on this

road brings approximately $2,300.00 in taxes and a tourist trade to our Town each year it would be an asset if the Town would improve said road. (Not approved by the Budget Committee.)

Article 15. To see if the Town will vote to accept a deed from Alfred H. Schiewe and Raymond E. Butler, deeding a 900 foot gravel road leading off from Route 9, presently known as Wilde Road, and providing access to 4 residences, and to raise and appropriate the sum of $700.00 to blacktop this road. (Not approved by the Budget Com.)

Article 16. To see if the Town will vote to raise the sum of $4,633.00 to buy two plate pipe arch bridges (culverts.) One would replace the old wooden structure over Pattridge Brook near the residence of Mr. Greene for $2,969.00, and the other to replace a similar structure over Hubbard Brook near Howard Kaiser's residence for $1,764.00. ($1,764.00 approved by the Budget Committee.)

Article 17. To see if the Town will vote to raise and appropriate the sum of $2,000.00 each year for a new Town Truck, so that the Town can purchase a new truck every four years. Submitted by the Road Committee. (Approved by the Budget Committee.)

Article 18. To see if the Town will vote to raise and appropriate the sum of $5,000.00 each year to build a fund for a new road grader ($3,000.00) and a new loader ($2,000.00) Thereby the Town would be able to buy new equipment each 10 years, approximately. Submitted by the Road Committee. ($4,000.00 approved by the Budget Committee.)

Article 19. To see if the Town will vote to raise the sum of $33,000.00 for a new grader, turning in the old grader toward the cost, and the balance to be borrowed on long term notes of $5,000.00 each. Payable in 1970-1974 inc. (Not approved by the Budget Committee.)

Article 20. To see if the Town will vote to raise and appropriate the sum of $500.00 to repair the culvert at the corner of Church and Cross Streets in Spofford Village. (Not approved by the Budget Committee.)

Article 21. To see if the Town will vote to raise and appropriate the sum of $500.00 to lower the road and replace the culvert in front of the shop of Arvid W. Pearson on Spring Street in Spofford Village. (Not approved by the Budget Committee.)

Article 22. To see if the Town will vote to raise and appropriate the sum of $42.00 to install a light at the western end of Route 9 &9A on Spofford Lake. (Approved by the Budget Committee.)

ing a suitable memorial for the veterans of the Korean war. This sum to be placed where it will draw the most interest. A committee to be composed of veterans, the chairman of the board of Selectmen and three citizens will be selected. (Approved by the Budget Committee.)

Article 24. To see if the Town will vote to raise the sum of $1,000.00 for the preliminary work of establishing a land filled dump. (Approved by the Budget Committee.)

Article 25. To see if the Town will vote to accept as a gift from Sallie S. Friedsam, widow of Morris Friedsam, the balance of the so-called Wetherbee Hill Lot and the so-called B. C. Thatcher Lot to be used by the Town as a Park, except that the Town may use such portion of the above premises as may be needed to enlarge the Town Cemetery. The Park shall be known as the Morris Friedsam Memorial Park.

Article 26. To see if the Town will authorize the Trustees of Trust Funds to establish a single Trust Fund for the Morris Friedsam Cemetery and all income from this fund be allocated to the Morris Friedsam Cemetery for care and upkeep of the Cemetery.

Article 27. To see if the Town will vote to accept the sum of $150.00 from the Chesterfield Cemetery Commission, income from same to be paid annually to said Commission for perpetual care in the new annex to Spofford Village Cemetery and to be known as Lawrence O'Kelly Trust Fund.

Article 28. To see if the Town will vote to accept the sum of $50.00 from Chesterfield Cemetery Commission, income from same to be paid annually to said Commission for perpetual care in Spofford Village Cemetery Annex, and to be known as the Richard Goodell Trust Fund.

Article 29. To see if the Town will vote to accept the sum of $100.00 from the Chesterfield Cemetery Commission, income from same to be paid annually to said Commission for perpetual care in Spofford Village Cemetery Annex and to be known as the Thomas Doyle Trust Fund.

REPORT OF BUILDING INSPECTOR

The year 1968 closed with Chesterfield showing more new permanent homes constructed than any previous year. Eighteen permits were issued. Two summer cottages were constructed. Five permits were issued for private garages and one for a barn. Eighteen people secured permits for improvements or additions, and five for trailer foundations.

To all of you who so gladly cooperated in our efforts to make Chesterfield a better place to live, I say thank you.

FIRE WARDS REPORT

To the citizens of Chesterfield, N. H.

The West Chesterfield Fire Department answered 26 calls during the past year. They are as follows:

Building	3	Rescue	1
Commercial Building	0	Mutual Aid given	4
Chimney	4	Others	1
Grass	3		
Trailers	1	Total	26
Automobile	9	Mutual Aid received	3

Seven members received training at the annual Meadowood Fire School.

Seven members received their Red Cross Certificate in Standard and Advanced First Aid. This course consisted of 26 hours of instruction.

Eleven members attended an all day drill held by the Brattleboro Fire Department.

The sum raised by the Annual Corn Roast & Raffle was $692.87. $103.00 was raised by other projects. $180.00 was donated in memory of Fred Stoddard to be used for fire equipment.

The Department added $380.00 to the $890.00 raised by the town to purchase 12 fire department monitors.

$140.00 was spent on a dry hydrant located at the new water hole in the village. The balance has not been expended at this time.

The dry hydrant on Pond Brook has been installed and is now in operation.

REPORT OF CHESTERFIELD LIBRARY

It has been a pleasure to come to know new people, and to know old friends better, at the library this past year.

I would like to thank Jane Dean for the Thursday evenings she has given during the last year. Her help and cheerful presence have been greatly appreciated. Perhaps young people are not so bad?

Also thanks you to Audrey Ericson, Cindy Houghton, Maryellen Haynes, and oh yes, Mary Darling, for filling in during the year.

A new service was introduced at the library this year. A record lending service is now in use for the adults.

We are very grateful for the large number of books that were given this year and thank you one and all.

Another new service is being planned but has not been carried out yet. A slot drop for over-due books. We hope this will cut down on delinquent books.

SCHOOL DISTRICT MEETING

Chesterfield Central School
Chesterfield, New Hampshire

March 9, 1968

The Moderator called the meeting to order at 3:02 p. m. and the Clerk read the Warrant through Article 1. The Moderator, Harry E. Winn, then declared the polls open for balloting for the necessary District officers.

Prior to the meeting, the following were appointed ballot clerks by the School Board: Anna C. Hubner and Mildred E. Gauthier. They took the oath of office from the Moderator. A count of the ballots showed 514 ballots.

The Moderator appointed Lester M. Chickering assistant Clerk and Wayne Winn assistant Moderator. They took the oath of office from the Moderator.

At 8:00 p.m., the Moderator again called the meeting to order, and the Clerk read the remainder of the Warrant.

The Articles were then disposed of as follows:

Article 2. Clare B. Wellington moved that the Article be passed over. Seconded by Lillian B. Lane. Motion carried in the affirmative.

Clare B. Wellington moved that James J. Cusick, Assistant Superintendent of Schools be allowed to speak before the meeting, James E. O'Neil being unable to attend the meeting due to his illness. Motion seconded by Lillian B. Lane. Motion carried by voice vote in the affirmative.

Article 3. Lillian B. Lane moved that the Article be passed as printed: i.e., that the report of agents, auditors, committees, or officers chosen be accepted as printed in the Town Report. Seconded by Clara B. Wellington. Motion carried in the affirmative on a voice vote.

Article 4. Clare B. Wellington moved that the district vote to accept the provisions of Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate. Seconded by Lillian B. Lane. Motion carried by voice vote in the affirmative.

Article 5. Lillian B. Lane moved that the district vote to authorize the school board to make application for and to accept and use in the name of the district such advances,

grants in aid or funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency. Seconded by Leonard Laskowski. Motion carried in the affirmative.

Article 6. Clare B. Wellington moved that the district vote to raise and appropriate a sum of two hundred seventy four thousand, two hundred dollars ($274,200), for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district. Seconded by Lillian B. Lane. Motion carried by voice in the affirmative.

Article 7. Clerk, H. Claude Mowry asked the privilege of the floor. The privilege was granted. At that time the Clerk presented to Moderator Harry E. Winn a framed resolution in appreciation of Evelyn E. Winn for her forty-three years as Treasurer of the Chesterfield School District. A copy of this resolution to be printed in the Town Report for 1968.

Gerald Knickerbocker moved that the school board be asked to re-enstate the "late" school bus from Keene High School on a two (2) day a week basis, leaving Keene High School at a suitable time to be worked out between the school board and the administration of Keene High School for the remainder of this school year. Seconded by Robert Gowdy.

REPORT OF THE SCHOOL LUNCH PROGRAM

July 1, 1967 to June 20, 1968

The National School Lunch Program helps provide wholesome, appetizing lunches to the nation's school children every day. These lunches make an important contribution to good nutrition so vital to both mental and physical growth during the child's formative years. Educators and nutritionists agree there is a direct relationship between adequate nutrition and good scholastic performance.

The school lunch program can be used as a means of promoting nutrition education. It gives children the opportunity to learn to like foods which they have not previously tasted.

The hot lunch program opened September 6, 1967, and Mrs. Marion Berry continued as my assistant.

The reimbursement rate from Federal Funds remained at four cents for each Type "A" meal served to children. Surplus commodities received from the U. S. Government made it possible to maintain the old price of thirty cents for children, and thirty-five cents for adults. Under the Special Milk Program we received a four cent reimbursement for each half-pint of milk served. Children were able to purchase milk at two cents a half-pint.

We continue to serve between 200 and 225 meals daily. Two hundred sixty-five turkey dinners with all the trimmings were served prior to Thanksgiving recess.

Menus continue to be prepared a month in advance, and sent home to parents.

A District appropriation of $1,000.00 was made this fiscal year.

Respectfully submitted,

(Mrs.) Louise Scharles,
Manager

SCHOOL HEALTH SERVICE REPORT

1967 - 1968

The prime interest in the school health program is most certainly the health of the child. Although the ultimate responsibility for the child's health lies with the parents, the school plays an integral part in that it strives to reinforce and teach good health habits, as well as to promote mental and physical growth.

One means by which the school contributes to the child's health and overall growth, other than education, of course, is its health services. Listed below are these services which indicate a youngster's growth and/or aids in promoting good health.

Physical Exams	119
Urine Tests	77
Vision Tests	255
Hearing Tests	169

Clinics Conducted:

Measles	For ages one through first grade. November 28, 1967 Participation: 6 preschool 8 students
Flu	November 14, 1967 December 15, 1967 Participation: 104 students 15 adults

Tuberculosis	March, 1968 - no reactors.	
	Participation:	16 first graders.
Immunization	May 21, 1968	
	(vaccines made available were Triple toxoid, smallpox, trivalent, and measles for preschool.)	
	Participation:	6 preschool
		23 students
Referrals		
	Crippled Children's Clinic	1
	Cardiac Clinic (Hanover)	1
	Monadnock Children's Center	11

In May our annual preschool orientation program was conducted at which time each youngster was examined by the school doctor, unless the parent desired to have their child examined by their own family doctor. We were very pleased to have a dental hygienist in attendance to talk to the parents and children about dental health. She, also-checked each child's teeth and distributed toothbrushes and helpful pamphlets.

Thany you, teachers and parents, for your continued cooperation and patience.

PRINCIPAL'S REPORT

The 1968-1969 school year began with an enrollment of 288 children. By January 14, the enrollment had increased to 304. All available classroom space is being utilized with the exception of the auditorium, which has been used as a classroom in the past. The auditorium is now being used as a cafeteria, and a multipurpose room.

We presently have forty-seven children in grade one, thirty-seven in grade two, thirty-two in grade three, forty-one in grade four, thirty-one in grade five, thirty-seven in grade six, thirty-nine in grade seven, and forty in grade eight. Due to the large enrollment in the lower grades, it will be necessary to create two classes out of some of these grades. Teacher aides will have to be utilized in the large grades which we are unable to divide.

We have four new teachers on the staff: English, grade seven and eight, Mrs. Joyce Mattson; grade four and five, Mrs. Mary Butler; grade three, Miss E. Bette Oates; grade two, Miss Joyce Freese. We were fortunate in not having a large teacher turnover. Hopefully, we will not be faced with

a large change of staff at the end of this year. It is extremely important for schools to retain their staff rather than be faced with a large turnover each year. When the staff remains the same, it insures better continuity of curriculum and adds stability to the total school program.

Our curriculum has been under study and we are in the process of updating it in all areas. We are presently offering modern math in all grades, and the new English in grades six through eight. Next year the new English will be offered in all grades. Our science program will be completed to include grades one and two. Grades five and six will have a new social studies program next year. With the money received from Title I of the Elementary and Secondary Education Act, we are able to provide individual instruction in reading for those children in grades two through five who are having difficulty. This program is under the direction of Mrs. Doris Parker.

Due to the increase in enrollment and the constant advances in education, it is necessary to have our school program under continuous review. Due to the many technological advances, there is now a great amount of equipment available to schools, which are aids to learning. We have begun a program, which over a period of years, will adequately equip our school and teachers. We now have the following equipment: three filmstrip projectors, three overhead projectors, 2 tape recorders, one motion picture projector, two audiovisual tables, and one Magnavox television set which is used for educational TV. Most of the rooms are equipped with phonographs. The P.T.A. purchased the television set for the school, and the pupils are now watching certain educational programs. These programs originate from the University of New Hampshire. Each teacher is furnished with a complete teacher's manual designed specifically for the program the class will watch. Our seventh and eighth grade science room serves as a centralized science room for the entire school. The room has a good basic collection of science equipment. Since it does serve the entire school, it is always in need of more and newer equipment.

School maintenance is a very important part of our program. This year, as in the past, we have continued a program to keep the school in good operating condition. Thanks to the able efforts of Mr. Merton Davis, the citizens of Chesterfield can be proud of their school. This year a new tile floor was put in the cafeteria, and in the fourth and fifth grade rooms. One of the first grade rooms was painted as well as the corridors in the old wing. A larger blacktop playing area, a new parking area, and two new sidewalks leading into the school were installed. We have four new cafeteria tables in the lunchroom. These tables make it easier to convert the room into an activity room when needed. We, also,

have a new storage shed for school maintenance equipment. This shed allows us to store equipment which was formerly kept in the boiler room.

The school library has 4,045 volumes. These books have been completely processed and are cataloged according to the Dewey Decimal System. A record has been kept showing author, publisher, coypright date, and source. The library is open five days a week, from 8:45 a.m. to 9:45 a.m. A staff of eleven parents supervise the library. Many of the books which we have are old. Even if these books were discarded, the library would still not have adequate shelf space.

I would like to thank the citizens, teachers. Board of Education, for their cooperation this year.

Respectfully submitted,
Martin Schiff
Principal

ADMINISTRATIVE REPORT

To the School Board and Citizens of Chesterfield:

More than half of the second school year of Chesterfield's association with Supervisory Union 29 has now passed. We have had some successes and some problems, but overall, progress is being made.

Educationally, we have a very good staff of twelve classroom teachers and one principal. Four of the twelve teachers are new to us this year, as is Mr. Schiff, the principal. The new math series is now complete in grades one through eight; some new English books are in use in grades six, seven and eight; the two upper grades are presently using new social studies books.

Two teacher aids, the nurse, the reading teacher, and the music teacher add greatly to the work of the regular classroom teachers.

Several pieces of audiovisual equipment have been purchased to enable teachers to make copies, transparencies, etc. for instructional use. The P.T.A. purchased a television set for the school, and many classes participate in weekly programs aired by the educational channel in such areas as art, music, science, reading, and social studies. Support of this nature from the parents association is certainly appreciated.

One classroom and the hallway in the original building were painted during the summer. An equipment storage shed was purchased and installed, and both play area and parking area were paved. Painting is an annual project, and we are fast approaching the time when we can no longer afford to delay making major repairs to the roof of the original building.

Daily care and cleaning of the building continues to be excellent thanks to the efforts and concern of our custodian, Mr. Davis. A word of thanks and compliments are, also, due the employees of the lunch program.

One serious problem facing Chesterfield is that of enrollment. The school population is now in excess of three hundred. Presently there are two rooms with children from two grades in them. We have enough children in practically every grade to justify two sections at each grade level. This would require sixteen rooms, and we have only twelve rooms. Questions regarding an addition to the building, sending grades seven and eight to Keene, and the need for a public kindergarten cannot be put off much longer. We in the superintendent's office cannot answer these questions for Chesterfield; the citizens of Chesterfield must answer them.

Our school library, thanks to the efforts of volunteers, is well endowed with a substantial number of books. Some of these, however, came from attics and cellars of generous people, but they no longer compare favorably with new exciting, and colorful books now available. Space is a crucial problem in our library, and this should be considered in conjunction with the questions mentioned in the previous paragraph.

The State Board of Education will be asked this summer to approve "Minimum Standards for Elementary Schools." Some of the recommendations are: a kindergarten, a full time nurse, full time guidance person, a library of 7,500 square feet, and many others.

Local property taxpayers have been bending over backwards for years in this state to support all local services with local funds, and deserve much praise and thanks for doing as well as they have. Of a proposed budget of over $300,000.00, less than $3,500 will come from the State of New Hampshire, and only about $5,700.00 from the federal government. Once again we are faced with requesting 95% of the budget from persons in the local community.

In terms of both dollars and percentages, the recent history of Chesterfield School District budgets is listed below:

Year	Total Budget	dollar amt. inc. Over prev. yr	% Inc.
66-67	$227,270	$30,936	15.8
67-68	147,771	20,501	9.0
68-69	274,200	26,429	10.7
69-70	314,726 (school board)	40,526	14.8
69-70	307,808 (budget committee)	33,608	12.3

Most of the budget, probably seventy-five or eighty percent, is set for us before either the school board or the bud-

get committee ever reviews it. Neither group has any control over such items as transportation, tuition, retirement, social security, heat, lights, supervisory union expenses, principal and interest payments on the buildings, and insurance. This leaves only those items such as salaries, library books, scholars supplies, and equipment—those areas that most directly affect education—for the close scrutiny of those who must watch the pocketbook. This is most unfortunate, since most people are very willing to recognize the need for these expenses, but feel unable to support them locally. May we urge you to plea for assistance from the State together with us.

All of us in the Supervisory Union office genuinely feel that Chesterfield is a fine place in which to work and that it does have a good school. Our thanks to the citizens, staff, and school board for their cooperation and support.

AUDITOR'S REPORT

This is to certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Trustee of Trust Funds, Spofford Fire Precinct Treasurer, Chesterfield Cemetery Association and Librarian and find they fairly reflect the recorded transactions for which they are responsible, for the fiscal year 1968.

We also examined the record of the Town Treasurer, but due to the Treasurer's failure to follow certain procedures, we are not in a position to express our opnion thereon.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result —escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
   a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the fire warden.
   b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A.M. and 5:00 P.M.
   c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.
